

Elanix Biotechnologies AG: CEO informs about planned cash capital increase with indirect subscription rights

THE INFORMATION CONTAINED IN THIS ANNOUNCEMENT IS NOT FOR PUBLICATION OR DISTRIBUTION IN OR INTO THE UNITED STATES OF AMERICA, AUSTRALIA, CANADA OR JAPAN.

Potsdam, 13 January 2017 - Elanix Biotechnologies AG ("Elanix") announces that the CEO plans a capital increase against cash contributions granting an indirect subscription right using the existing Authorised Capital 2015 as early as this quarter. The aim is to strengthen the share capital and to ensure further growth.

Relevant resolutions have not yet been adopted; however, today the Supervisory Board was informed by the CEO about his aim to resolve on a cash capital increase later this month. The cash capital increase shall be structured in such a way that the capital increase does not require a prospectus under German legislation. The CEO will inform about the details of the planned capital increase in a timely manner.

About Elanix

Elanix Biotechnologies (Frankfurt: ELN) develops and commercializes tissue regeneration products for acute wound care, dermatological and gynecological applications, and provides services in cell technologies. The company was founded in 2013 as a spin-out from the University Hospital of Lausanne (CHUV), Switzerland, to commercialize a patented progenitor cell technology. Progenitor cells are fully differentiated yet immunologically neutral cells that are very potent inducers of tissue growth and healing. Elanix owns GMP certified Master and Working cell banks with vast quantities of cells of different cell types.

The Company is headquartered in Nyon, Switzerland, with offices in Potsdam, and is listed on the Frankfurt stock exchange under the symbol ELN. For more information and updates, visit www.elanix-biotechnologies.com.
