

Elanix Biotechnologies AG: The Management and Supervisory Board will propose to the annual general meeting a capital increase against cash contributions up to 50% granting indirect subscription rights.

THE INFORMATION CONTAINED IN THIS ANNOUNCEMENT IS NOT FOR PUBLICATION OR DISTRIBUTION IN OR INTO THE UNITED STATES OF AMERICA, AUSTRALIA, CANADA OR JAPAN.

Berlin, 13 July 2017 – the Management and Supervisory Board of Elanix Biotechnologies AG will, amongst others, propose to the annual general meeting 2017 a share capital increase from EUR 6,799,200.00 by EUR 3,399,600.00 up to EUR 10,198,800.00 granting subscription rights to the existing shareholders. The issue price shall be determined at a later stage. The capital increase shall be used for the further funding of the growth and to strengthen the share capital.

The invitation to the general meeting with the proposed resolutions of the Management, which shall be held on August 24, 2017 in Berlin, will be announced in the Bundesanzeiger and made available on the website of the company within the next couple days.

About Elanix

Elanix Biotechnologies (Frankfurt: ELN) develops and commercializes tissue regeneration products for acute wound care, dermatological and gynecological applications, and provides services in cell technologies. The company was founded in 2013 as a spin-out from the University Hospital of Lausanne (CHUV), Switzerland, to commercialize a patented progenitor cell technology. Progenitor cells are fully differentiated yet immunologically neutral cells that are very potent inducers of tissue growth and healing. Elanix owns GMP certified Master and Working cell banks with vast quantities of cells of different cell types. The Company is headquartered in Nyon, Switzerland, with offices in Potsdam, and is listed on the Frankfurt stock exchange under the symbol ELN.
